- Architected, developed, and deployed the official direct-to-consumer OTT streaming platform** (deoyanimovies.com) using React 19, Firebase Firestore, and Bunny Stream CDN (Pull Zone 6505702 mapped to stream.deoyanimovies.com).
- Engineered live TVOD pay-per-movie monetization** (₹25 for 72-hour rental) and VIP All-Access cinema passes (₹199-₹799) with live Razorpay gateway integration, cryptographic HMAC-SHA256 webhook verification, and idempotent ledgering.
- Implemented Zero-Trust Anti-Piracy DRM defenses:** Ephemeral HMAC-SHA256 playback tokens (10m TTL), Shaka Multi-DRM (Widevine L3/L1, Apple FairPlay cbcs CENC), 30s sliding session concurrency heartbeats (hard 2-device limit), and mobile app-switcher privacy blanking.
- Integrated Google Cloud Agent Platform / Gemini 3.6 Flash AI Service:** Built studio trivia, semantic search, and multilingual conversational AI concierge operating seamlessly across Marathi, Hindi, and English.
- Directed theatrical post-production & digital mastering:** Conducted 4K color grading, audio restoration, and trailer cutting for landmark films (*Bindhast*, *Matru Devo Bhavah*, *Chimani Pakhar*, *Sangte Aika*, *Phir Bhi Rahegi Nishaniyaan*).

Content Operations

- Directed post-production and creative video assembly** for high-retention commercial music videos and digital content distributed across global Middle Eastern and South Asian markets.
- Engineered cloud content workflows:** Managed transcode pipelines and deployed high-bitrate media assets directly to AWS cloud storage infrastructure for distributed global consumption.
- Enhanced audiovisual quality:** Conducted audio mastering, spectral noise reduction, subtitle synchronization, and localized subtitle mastering for international audiences.

Prior Experience: Creative Production & Operations

2018 - 2021

- Anti Corona Task Force (Video Making Specialist, 2021):** Assembled humanitarian crisis documentaries, medical awareness films, and director cuts for broadcast and social reach.
- Anamika Tours (Operations & Expedition Logistics Manager, 2018-Present):** Orchestrated cross-state expedition itineraries, fleet logistics, and crisis contingency routing for high-capacity tours.
